Time	Topic	Speaker/Moderator
Private Session		
07:30-09:00	Taiwan Gynecology Advisory Summit	
Interactive Lecture Program		
09:00-09:30	Registration	
09:30-09:40	Welcome & Announcement	Dr. Hung Cheng Lai
09:40-10:00	Status and Challenges of Insurance Reimbursement of Robotic GYN Surgery in Asia	President of ASGRS/Shuang Ho Hospital, Taipei Medical University, TW
Session 1 - Malignant GYN Disease Chair Person: Dr. Hung Cheng Lai, Dr. Tzu I Wu, Dr. Cheng Chang Chang		
10:00-10:30	The Role of Robotic Surgery in GYN Oncology	Dr. Joseph Ng National University Hospital Singapore, SG
10:30-11:00	Prognosis of Endometrial Cancers by Robotic Surgical Staging : Taiwan Experience	Dr. Kuo Chang Wen Shuang Ho Hospital, TW
11:00-11:30	Current Status of Robotic Oncology in China	Dr. Jiang Tao Fan The First Affiliated Hospital of Guangxi Medical University, CN
11:30-12:00	Robotic Single Port Surgery for Cervical and Endometrial Cancer	Dr. Chi Heum Cho Keimyung University Dongsan Medical Center, KR
12:00-12:30	Discussion	
12:30-13:30	Lunch Symposium – Robotic GYN Surgeons, From 0 to 1	Dr. Wai Hou Li Cheng Hsin General Hospital, TW
Session 2 - Benign GYN Disease Chair Person: Dr. Hung Cheng Lai, Dr. Tzu I Wu, Dr. Cheng Chang Chang		
13:30-14:00	Myomectomy: A Metrics for Robotic Approach	Dr. Hung Cheng Lai Shuang Ho Hospital, Taipei Medical University, TW
14:00-14:30	Optimal Robotic Hysterectomy for Huge Uterus	Dr. Jiheum Paek Ajou University Hospital, KR
14:30-15:00	The Trend of Robotic Pelvic Reconstruction Surgery	Dr. Cheng Chang Chang Tri-Service General Hospital, TW
15:00-15:30	Novel Application of Robotic GYN Surgery – Laser & NOTE	Dr. Yu Chi Wang, Tri-Service General Hospital, TW
15:30-16:00	Robotic Management of Deep Infiltration Endometriosis	Dr. Yu Zhang Xiangya Hospital Central South University, CN
Session 3 - Others Chair Person: Dr. Hung Cheng Lai, Dr. Tzu I Wu, Dr. Cheng Chang Chang		
16:00-16:30	Minimally Invasive GYN Surgery Under COVID-19: The Advantage of Robot	Dr. Suresh Nair Mount Elizabeth Novena Specialist Center, SG
16:30-17:00	Application of Robotic Surgery in Endometrial Cancer : TTMH's Experience and Case Sharing	Dr. Kim Seng Law Tungs' Taichung Metro Harbor Hospital
17:00-17:30	Update of RACC Trial	Dr. Henrik Falconer Karolinska University Hospital, SE
17:30-18:00	Closing Remarks	Dr. Hung Cheng Lai President of ASGRS, TW
18:00-	Gala Dinner
